

**FIT + SLIM Series**

Marumi introduces small sizes of FIT + SLIM series MC Lens Protect, MC UV and Circular Polarizer to fit wider range of cameras and lenses.

**MADE IN JAPAN**

Marumi FIT + SLIM series have been well accepted as basic model since its introduction because of the ultra slim frame and good performance.

Marumi is pleased to add the small size filters from 37mm to 46mm to FIT + SLIM series MC Lens Protect, MC UV and Circular PL to meet increasing demand for the Compact System Camera (Mirrorless Camera).

Key Features

- Ultra-slim frame to avoid vignetting
  - Effective frame thickness (without thread)
    - MC Lens Protect, MC UV : 3.4mm
